Biography of the Honorable Horace Chase

Horace Chase was born in Unity, New Hampshire on December 14, 1788. While a resident of Hopkinton he was made a Mason in Blazing Star Lodge No. 11 of Concord on May 23, 1815. On October 17 of that same year he was raised to the sublime degree of Master Mason. At the age of 28 he was appointed Grand Lecturer and filled this office in 1817, 1818 and 1821. After moving to Cheshire County in the fall of 1818 he became a member of Corinthian Lodge No. 28 of Newport and was elected as its Master in 1819.

On seven occasions he served the Grand Lodge of New Hampshire as a District Deputy Grand Master, the first time in 1820 and the last in 1849. He was elected Master of the Lodge which made him a Mason in the year 1847. After serving one year as Deputy Grand Master he was elected to fill the highest office that can be given any Mason, that of Most Worshipful Grand Master, which he filled during the years 1851 and 1852. This most illustrious Masonic career was climaxed by sixteen years of outstanding service as Grand Secretary during the years 1854-1870.

His last subordinate lodge affiliation was with Aurora Lodge No. 43 of Henniker while again a resident of Hopkinton. The exemplary and distinguished Mason for whom this Lodge is named entered the Celestial Lodge above on March 1, 1875, after being a member of the craft for more than 59 years.

Biography of the Eight Charter Members of Horace Chase Lodge No. 72

ALBERT H. DROWN was born in Rehoboth, Mass., August 11, 1824. He became a resident of Fisherville in 1847 and during his residence here was one of the most prominent and active citizens, notably in the Fire Department and political circles, in addition to his great Masonic interest. He served as Quartermaster in the 16th Regiment N. H. Volunteers during the Civil War. Upon his return, he served as Master Machinist at the Portsmouth Naval Yard for several years. Later became Master Mechanic and Superintendent of cotton mills in Connecticut and Rhode Island; was also associated in similar capacity in the mills of Fisherville. Brother Drown was especially active in the institution of this Lodge, became its first Worshipful Master; in the words of Brother Samuel N. Brown (W.M. 1870-1871) "The Lodge owes much to him for the high standard he set in the exemplification of the work." Brother Albert H. Drown died at Revere, Mass., February 13, 1911 and was buried with a Masonic service by Somerset Lodge No. 34, F. & A.M. Norwich, Connecticut April 14, 1911.

SAMUEL C. PICKARD was born in Canterbury, N. H., January 12, 1820. He was an early resident in the village of Fisherville and was a man who enjoyed the confidence and esteem of the citizens. Grand Lodge proceedings state that Brother Pickard served his country in the Civil War while he was Worshipful Master of his Lodge (1863). This brother entered eternal rest in October 1896 at Canterbury, N. H.

DAVID A. BROWN was a native of Seekonk, Mass., born in 1818 and became a resident of Fisherville in 1843. Brother Brown was prominent in business for many years, served in the legislature and city government, and was especially interested in musical affairs. He entered the Celestial Lodge above on April 13, 1897.

E. FRANK BATCHELDER was born in 1836 at Loudon, N. H. He moved to Fisherville in 1846. He was engaged in the grocery business with his father John Batchelder in a store then located on Summer and Merrimack streets. Brother Batchelder was the first secretary of this Lodge. He died August 25, 1866.

JOHN WHITAKER. A resume will be found on page six.

JACOB B. RAND was a native of Chichester, N. H. and became a resident of Fisherville in 1848. Brother Rand was a manufacturer of piano forte hardware. Later he moved to Concord and was active in city affairs. Brother Rand was President of the Common Council 1855-1856, also served as alderman and on the Board of Assessors. He was instrumental in the establishment of the Franklin School at Franklin and Rumford streets, Concord. He died September 25, 1891.

REV. JOSEPH C. EMERSON was a native of Canterbury, and a Minister in the Methodist Episcopal Church. He served as Chaplain and Postmaster of the 7th N. H. Volunteers in the Civil War and captured at New Market Heights, Va. on September 29, 1864. He was exchanged and returned to the regiment on January 14, 1865. In the "History of Seventh N. H. Volunteers" Lt. Henry F. Little regimental historian stated, "The men all loved him as a good honest man". The Lodge gave this brother a sword when he entered the conflict; on September 5, 1865 after three years of service, Brother Emerson presented this sword to the Lodge. After the close of the rebellion he settled in Florida, where he was a presiding elder of the East Florida district. A few years later, February 3, 1877, Brother Emerson was drowned by the capsizing of his skiff while crossing the St. John's river.

DR. HENRY D. WHITE was born on February 8, 1815 in Hopkinton, N. H. and became a resident of Fisherville in 1845. He was a dentist by profession. Quoting P.M. Samuel N. Brown, Brother White was a "well educated man and prominent in village affairs". Brother White presented the Constitution and By-Laws which were adopted on June 21, 1861. He died at Concord on August 21, 1894.

Some of the above material appears in Brown's "History of Penacook" 1902.

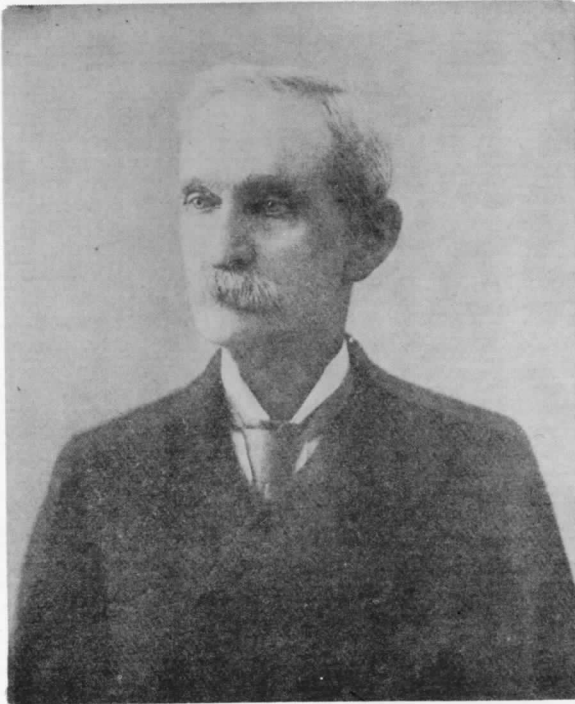

OFFICERS

HORACE CHASE LODGE NO. 72, F. & A. M.

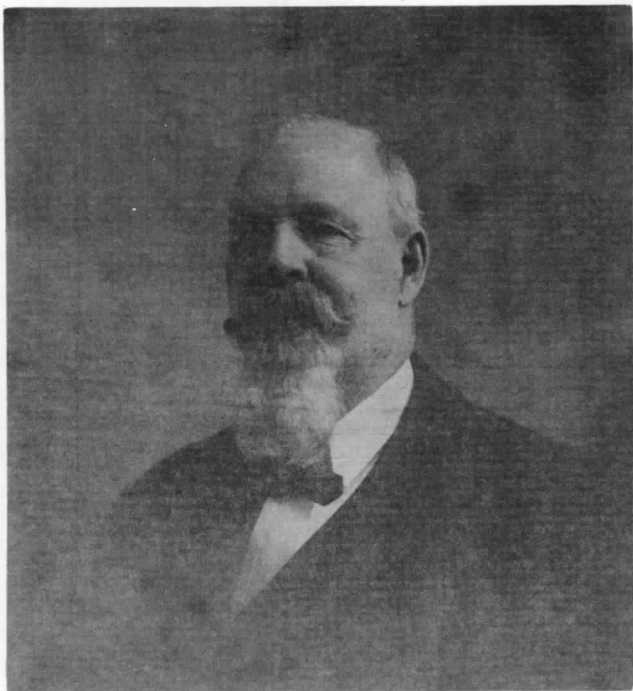

1861

Brother Albert H. Drown

ALBERT H. DROWN	Worshipful Master
DAVID A. BROWN	Senior Warden

E. FRANK BATCHELDER	Secretary
JOSEPH C. EMERSON	Chaplain
HENRY D. WHITE	Senior Deacon
JACOB B. RAND	Junior Deacon
ASA GAGE	Tyler

THE BENEFactor OF HORACE CHASE LODGE

John Whitaker, one of the eight Charter Members of Horace Chase Lodge No. 72 was born in the town of Hopkinton, New Hampshire on June 9, 1835. He moved to Fisherville when 16 years of age after the completion of his education in the schools of Hopkinton. Brother Whitaker was gifted with business acumen. His talents were employed in many lines of endeavor including the livery and express, lumber and manufacturing businesses.

Brother Whitaker was active in public affairs serving his city as a member of the Common Council and Board of Aldermen and previously as Assessor of Ward One. He was also actively interested in state politics serving in the House of Representatives in 1862 and as a State Senator in 1893-94.

The business ability of Brother Whitaker was also employed in other than his own private interests. He was a member of the Board of Water Commissioners, a trustee of Guarantee Savings Bank, a director of the Penacook Electric Light Company and President of Concord Axle Company.

During his later years Brother Whitaker, acquired the title of "Commodore" by building and operating the first steamboat, "Modena" that ever sailed the Contoocook River. This vessel could accommodate 200 passengers on its six mile excursion up the river.

Brother John Whitaker filled a number of stations during his more than forty years of active membership in this Lodge including one important position he occupied from the institution of the Lodge. Brother Whitaker was a member of all York and Scottish Rite bodies and of Aleppo Temple, A.A.O.N.M.S. of Boston, Mass.

Brother John Whitaker was a man of great stature, being six feet three inches tall and weighing over 300 pounds, which gave him the distinction of being the largest man in the village.

The Great Architect summoned Brother Whitaker to His Celestial Lodge above on January 20, 1903. His earthly remains were placed to rest in Woodlawn Cemetery.

HISTORY OF HORACE CHASE LODGE No. 72

JUNE 21, 1861 TO JUNE 10, 1961

by Brother Russell A. Eckloff, Sr.

The year 1861 was an eventful one in the life of this nation, for it witnessed the inauguration of him who throughout history, is to be known as the Great Emancipator. Shortly thereafter followed the great American tragedy. A conflict of ideals had been fermenting for several years and in the spring of 1861, the clash of ideals led to the bearing of arms.

During that same spring of 1861 and for an unknown previous period of time, ideals which had been implanted in the minds of eight men, began to germinate and take root. The results of their serious contemplations were not calculated to have a marked effort upon world history as was the Civil War, but we who are fortunate to be here today realize that the actions stemming out of their deliberations have played a significant part in moulding the lives of many people. Not only have the 518 men raised in Horace Chase Lodge been directly influenced by our Masonic teachings, but indirectly hundreds more have felt the character of Freemasonry simply by coming in contact with Master Masons in their every day living.

We refer, of course, to those eight citizens in the village of Fisherville who as Master Masons, seven of them members of Blazing Star Lodge No. 11 of Concord, saw the need for a Masonic Lodge in this community. We find no records of meetings or deliberations held prior to the issuance of a Charter on June 12, 1861 by the Grand Lodge of New Hampshire to constitute a Lodge of Freemasons in Fisherville; but we must assume that the guiding hand of the then Grand Secretary, Past Grand Master Horace Chase was present and that his Masonic experience and ready assistance leveled the way and sped the preliminary steps of organization.

With a nation which less than a century before had come into existence pledged to uphold the rights and dignity of all men, now engaged in fratricide, there was question in many quarters if the high sounding phrase "All men are created equal" was only empty words. However, here in Fisherville we find eight Master Masons rededicating their lives to a firmer belief in the Fatherhood of God and the Brotherhood of man. There can be little doubt that with full knowledge of the hatred that would be engendered by the bearing of arms, these eight men saw the opportunity of implanting in men's minds the seeds of Brotherly Love and Affection. They must have known that although there was a primary need for men to serve their country in war, the teachings of our Fraternity would transcend the temporary bitterness and that as Masons they would serve their country well and treat all men, both friend and foe, as Sons of the same Eternal Parent.

History is replete with deeds of human kindness performed by both men in blue and gray to relieve the sufferings of comrades or opponents who were injured or captured in battle. We know that Masons could do no less than this. Only the Supreme Master above can know of all the acts of Brotherly Love performed by soldiers initiated into Horace Chase Lodge during those dark years of 1861 to 1865. Some twenty-five members of this infant Lodge, and fourteen others who later became members, served their country during the Civil War.

It is interesting to note that our Lodge was assigned Number 72, the age of Horace Chase in 1861 and it was he who made the motion that the Lodge named in his honor should be so numbered. Lodges are now forbidden to adopt the name of any living person, but it was done at least once in this state and without there ever being any regret. In the archives of our Lodge is preserved the original petition signed by Horace Chase to be made a Mason.

At the first communication held on June 21, 1861 officers were elected and later at a second communication on the same day Brother Henry D. White presented a "Code of By-Laws and Constitution" which was read and adopted. The book containing the original By-Laws, hand written by Brother White, has been signed by every member of Horace Chase Lodge and is still in active use.

GRAPHIC BLOCK (METHODIST CHURCH).

The first Brethren raised to the Sublime Degree of Master Mason in Horace Chase Lodge were: Henry F. Brown, Samuel F. Brown, D. Arthur Brown, and George E. Flanders. This degree was conferred on August 23, 1861. Henry F. Brown later served his Lodge as Worshipful Master during 1883, 1884, and 1885.

It was the custom to ballot on every applicant, not only for each of the degrees in Blue Lodge Masonry but also a Master Mason had to be proposed and balloted upon for actual Lodge Membership. We find that on September 17, 1861 Brother Andrew A. Dow became the first man to sign the By-Laws after having been Entered, Passed and Raised in Horace Chase Lodge.

During the first years of the Lodge's history many candidates received their degrees in less than the usual time because they were to leave for the battlefields. Individual Dispensations were received from the District Deputy Grand Master to waive the Constitutional requirements for the time between degrees. We note that some candidates received all three degrees on a single night and that several received two degrees on one night and the final degree within a day or two.

The amount of work performed by the Lodge during its first full year was tremendous by any standard of measurement. That the work was of high quality is verified by the report of District Deputy Grand Master J. F. Daniell

which is dated June 11, 1862 and reads as follows: "I have visited Horace Chase Lodge No. 72 at Fisherville. This Lodge is only about one year old. Their officers, although young Masons, are good and true. They have done considerable work the past year, but most of those who have received the degrees there have gone into the Army. The work they have done has been well and faithfully done. Their records are well and neatly kept, and I trust, as long as they have the counsel of him whose name the Lodge bears they will prosper."

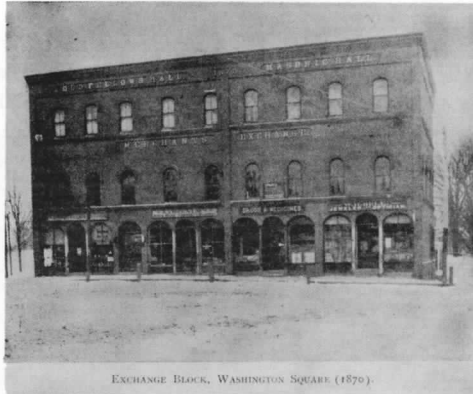

Twenty-four men were initiated at seventeen communications, twenty-two passed at fourteen communications and nineteen raised at twelve communications all during the first full year. Lodge membership had increased to nineteen by this time. Of the thirty-nine communications held, the first and second were for organization and constitution. At four others, no work was done so that on thirty-three different days one, two or three degrees were exemplified. It would appear that the urgency of the work meant a disregard as to the phase of the moon. Horace Chase Lodge, as did most of the Lodges a century ago, governed its stated communications by the full phase of the moon in order to have the benefit of the light from that heavenly body in traveling to and from the Lodge. There are today a few Moon Lodges in this State. We continued to be a "Moon Lodge" until February 24, 1888 when a proposal by Brother William W. Allen was adopted changing the stated communications to the fourth Thursday of each month except July and August.

We note that the young Lodge received assistance and encouragement from neighboring Lodges, particularly from Blazing Star No. 11 and Meridian Lodge No. 60 of Franklin. One of the first public appearances of the Lodge, other than at funerals, was at a Memorial Service held in Concord on June 1, 1865 for the martyred President, Abraham Lincoln. Citizens in public life, fraternal organizations, students of Dartmouth College, St. Paul's School, the public schools and many private citizens joined in a long line of march.

Horace Chase Lodge has been invited on several occasions to exemplify work at Semi-Annual communications of the Grand Lodge of New Hampshire. In December of 1883, the Lodge under the leadership of Worshipful Master Henry F. Brown, presented the work of the Entered Apprentice degree. In 1890, the Fellow Craft degree was exemplified with Worshipful Master William W. Allen presiding. Again in 1913, the Fellow Craft degree was presented with Worshipful Master J. Albert Massie in charge of the Lodge. Only one correction was made in the work. Horace Chase Lodge must have been noted for the work of its Senior Deacons for the Lodge was invited to again exemplify the Fellow Craft degree in 1947 when the Worshipful Master was Charles L. Foote and also in 1954 when with Brother Robert E. Gregg as Worshipful Master and Brother Harold W. Hardy as Senior Deacon the degree was exemplified without error. This is believed to be the first time any Lodge has conferred any degree at the Semi-Annual communication without any correction.

Horace Chase Lodge first held its meetings in Graphic Hall. In the spring of 1867 one meeting was held in a room over John Batchelder's store and one was held in the Hall of Engine Company No. 8 known as Pioneer Engine Company. In July of that year, the Lodge leased Attic Hall, located above Graphic Hall. In 1871 the Lodge leased the northern half of the upper story of the new Exchange Block. In spite of several attempts to find other quarters, the Lodge remained in Exchange Hall until the fire of December 26, 1905. Much of the furnishings including pictures of historical value were lost. The Charter and records however, were saved. Temporary meeting places were the Ladies Parlor of the Baptist Church and the Hall of Council No. 5, Order of United American Mechanics in the Graphic Block. On November 2, 1906 the Lodge

voted to lease quarters in the rebuilt Exchange Block. Here the Lodge continued to function until the present temple at the corner of Chandler and North Main Streets was occupied in December of 1955. The dedication of the former First Congregational Church was held on December 6, 1956 with Grand Lodge Officers conducting the ancient ceremony in the presence of an estimated three hundred Masons, their relatives and friends.

The Annual Meeting of the Lodge was held in the month of June in 1862 only, for at the October 7 Stated Communication of that year it was voted to change the Annual Meeting to the month of May. We find that beginning with the year 1871 the Annual Meeting has been held in the month of January. In 1894 the time of meeting was changed from "seven and one half to seven and three fourths o'clock in the afternoon."

A review of the 1786 Communications of Horace Chase Lodge reveals many former customs and functions now unknown except to the historian or older members of the craft. Many of these, while being of interest, cannot be described here. We are taught that the fundamental Truths of Masonry are Eternal. However, in the interest of showing that the methods of conducting the work in Masonry do change with the times, we are citing a few instances in addition to those already mentioned, where different procedures are now employed.

Almost a century ago, in the year 1866 a Communication from the Most Worshipful Grand Master forbid the use of printed rituals. The hand production of a set of rituals was a monumental task and required the exertion of the highest skills of the few individuals engaged in the art. The minutes of a meeting held in 1869 reveals that a member of the Lodge could not vote in the election of officers if his current dues were not paid. Any officer who was re-elected did not need to be installed again into the same office.

The year 1883 witnessed the change in the name of the village. The first Communication held under the dateline of Penacook was on October 12 of that year. Probably the first Installation of officers witnessed by the profane was on February 16, 1891. The history given at the 50th anniversary of our Lodge covers this event with some detail.

An unusual, though sad event, was the draping of the working tools at a Stated Communication of September 26, 1901 for a period of thirty days in memory of Brother William McKinley, President of the United States.

The record of 1903 shows that every visitor to the Lodge was required, by edict from the Grand Lodge, to exhibit a Diploma from his Lodge.

On March 5, 1920 a Past Master's Night was observed with William W. Allen, Willis G. Buxton, Augustus H. Davis, Edmund H. Brown and Edson H. Mattice occupying the chairs of the Worshipful Master, Senior and Junior Wardens, Senior and Junior Deacons respectively just as these same five brethren had done thirty years previously while working the Fellowcraft degree at a Semi-Annual Communication of the Grand Lodge.

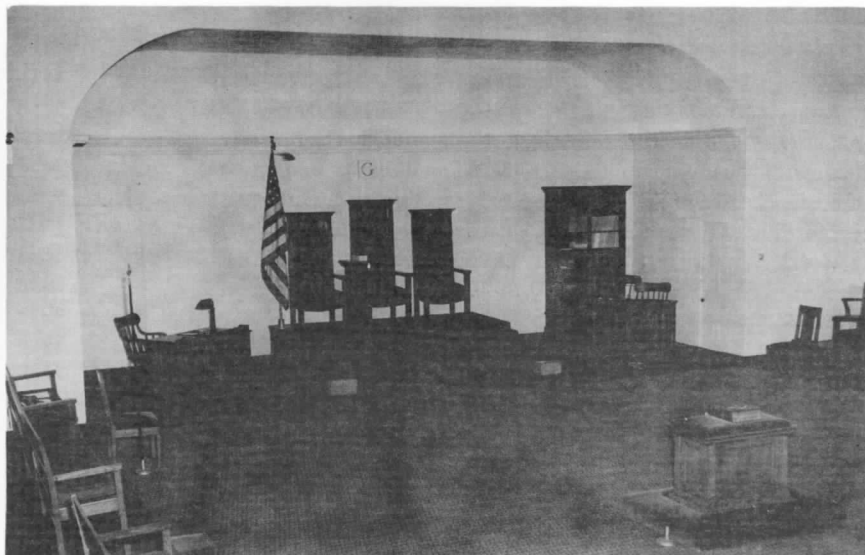

On November 6, 1952, under dispensation, Horace Chase Lodge united with Blazing Star Lodge No. 11 and Eureka Lodge No. 70 of Concord to properly observe the Two Hundredth Anniversary of George Washington as a Mason. Masons and their friends filled St. Paul's Church of Concord to capacity to honor the memory of a distinguished brother, the first President of this great nation.

It was announced on May 27, 1954 that Horace Chase Lodge had been named to administer a Trust Fund established in memory of the late Grand Chaplain, Brother Charles P. MacGregor. The Master and Wardens of this Lodge annually award the income from this fund to a member of the graduating class of Penacook High School, to aid in defraying the cost of studies at some institution of higher learning.

HOME OF HORACE CHASE LODGE, F. & A. M.

In reviewing the first century of activity of Horace Chase Lodge we are impressed, not so much by any great achievement by a few of its members, but by the devotion of all of its members in upholding and extending the fundamental principles of Freemasonry. A small group fervently dedicated to any principle can influence the thoughts and deeds of those within its sphere of activity. Free and Accepted Masons, have in past ages and will continue in the future to influence the Moral life of every community wherever they are dispersed. We know that Masonry in its own quiet, persistent and unending way has made Penacook and thousands of other communities better places in which to work, live and raise children.

It is our sincere wish in this Centennial year of 1961 that in the decades and centuries yet to come, members of this ancient and honorable fraternity in general, and of Horace Chase Lodge No. 72 of Penacook in particular, will continue to fulfill their destiny as sons of the true and living God. May we, our children and our children's children, so live as Masons that we will lay up for ourselves treasures that will never fade and finally be received into that Celestial Lodge above where the Supreme Architect of the Universe forever reigns.
